Authorized International Representative

Viktoria Dettwiler

Authorized Representative of Market Pulse LLC for International Cooperation and Investments - based in Switzerland

Scope of Representation

Under a Power of Attorney executed by Market Pulse LLC on 8 September 2026, the Representative is authorized to represent the Company abroad in matters relating to its business, commercial, investment and international economic activities.

- Investor outreach and communication with private and institutional investors, investment funds, family offices, banks and international financial institutions.
- Investment discussions concerning project financing, equity and debt financing, joint ventures and strategic partnerships.
- Preparation and coordination of preliminary investment documentation, including NDAs, LOIs, MOUs, term sheets and information materials.
- Coordination of legal, financial, tax, technical and commercial due diligence, including project information and data-room processes.
- Communication with investment promotion agencies, chambers of commerce, trade missions, professional advisers and international organizations.
- International business cooperation with technology providers, equipment suppliers, contractors and strategic partners.

Important Limitation

The Representative may negotiate and coordinate preliminary terms and documentation, but may not execute final investment agreements or other agreements creating substantial financial obligations for Market Pulse LLC without separate written authorization from the Company.

Validity & Verification

The underlying Power of Attorney is granted for three (3) years from 8 September 2026. This public confirmation is a concise corporate summary. The full Power of Attorney contains personal identification data and is therefore not published openly; it may be provided to qualified investors, banks, financial institutions, professional advisers or other authorized counterparties when reasonably required.
